

Poverty has many adverse effects on society. Poor Americans are less likely to eat healthy, which leads to poor health. Poor health can make study and work difficult. Poor education and the inability to work can adversely affect individual income, and the American economy as a whole.

This resolution expresses the sense of the House that eradicating poverty in the United States should be the goal for all people in the United States. Further, this resolution recognizes that the severe economic downturn, and double-digit unemployment rate, increases the need for Congress to commit itself to helping individuals and families facing economic hardship.

I join the chairman in urging my colleagues to support this important piece of legislation.

Ms. GINNY BROWN-WAITE of Florida. I yield back the balance of my time.

Mr. McDERMOTT. Madam Speaker, I urge the adoption of the resolution, and I yield back the balance of my time.
